

WOODMOOR Water & Sanitation District

Rain Sensor Rebate Application (Limit 1 rebate allowed per residence)

Earning a rebate for a rain sensor is as easy as 1-2-3!

1 First verify that you receive water service from the Woodmoor W & S district and therefore qualify for the rebate! THEN, purchase your water saving rain sensor.

2 Your original sales receipt, must include the date, rain sensor brand, and rain sensor model number in order to qualify. Woodmoor Water only accepts clear, legible copies of receipts. Attach the receipt securely to this application.

3 Submit this completed application along with your original sales receipt to:
Woodmoor Water & Sanitation District
P.O. Box 1407,
1845 Woodmoor Drive
Monument Co. 80132

Please fasten all documentation securely together!

***Required Information**

*Name: _____

*Address: _____

*City: _____ State _____ *Zip _____

*Phone: (____) _____

*Woodmoor Account Number: _____

New Rain Sensor Information

Date purchased: _____

Date installed: _____

Cost of new rain sensor (excluding tax/labor): \$ _____

Where did you purchase the new rain sensor?: _____

I certify that this rain sensor was purchased and installed after January 1,2009 at the address indicated above. I have attached the receipt to this application and understand that all documents including receipts become the property of Woodmoor Water & Sanitation District once submitted. Rebate cannot exceed the cost of the rain sensor. I understand that installation of a rain sensor does not guarantee a reduction in my water bill, and Woodmoor Water & Sanitation District reserves the right to randomly inspect my premise to verify installation of the rain sensor prior to issuing my rebate.

STOP!!!

- Did you forget something?
1. Completed application with water account #
 2. Your original sales receipt

Note: Please allow two billing cycles for your rebate to be processed and credited to your account. Rain sensors automatically shut off sprinkler systems during and after rain showers, and allow the system to resume normal cycle once the sensor dries out.

Rebate funds are limited and rebates are given on a first come, first serve basis.
